## Ethnic background

Our ethnic background describes how we think of ourselves. This may be based on many things, for example, our skin colour, language, culture, ancestry or family history. Ethnic background is not the same as nationality or country of birth.

The Information Commissioner recommends that young people aged 12 years or older have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged 12 years or older in making this decision, wherever necessary. Pupils aged 16 or over can make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic background of the child named in the Registration form attached to this form.

Admission to Barnard Castle School and its Preparatory School depends upon a prospective pupil meeting the criteria required to maintain, and if possible, improve the educational and general standards of the School. The School must feel reasonably sure that it will be able to educate and develop the prospective pupil to the best of his/her potential in line with the School's ethos. All current and prospective pupils will be treated fairly regardless of race, gender, belief, sexual orientation, age, religion or disability.

This registration form should be returned together with a copy of your child's passport, and the non-returnable registration fee. Registration itself does not necessarily guarantee that a place will be available.

### Notes
