

30th December 2020

Dear Parents and Guardians,

I hope this finds you and your families well and that you have been able to safely enjoy the festive period.

Following on from the Government's announcement this afternoon, I am delighted to yet again confirm that Prep School will return back to School for the start of our Lent Term on Wednesday 6th January 2021 as planned, despite our Senior pupils needing to have a delayed start to returning to School and a period of Learning@Home in January.

Further information and details regarding our co-curricular programme for the Lent Term will be available on Monday 4th January.

We very much look forward to welcoming all children safely back in what we hope will be a more prosperous year.

Wishing you a very Happy New Year; stay safe,

Best wishes

Laura Turner
