

4th January 2021

Dear Parents

Firstly, I send you my very best wishes for 2021; we continue to find ourselves in challenging times, but rest assured that we will do what we can to provide stability and continuity for you and your families in the coming weeks.

Below you will find an email sent to your child this afternoon, which contains guidance for them as they embark upon our Learning@Home provision. Please do check that they have read the email carefully before the beginning of term on Wednesday morning.

As ever, we will do everything we can to support your child through this period. Tutors will remain in close contact with their tutees throughout the day and, if you have any concerns, please do not hesitate to reach out and contact your child's tutor or HSM.

With kindest regards

Peter Lavery
