## MESSAGE FROM THE HEAD

Welcome to Barney. Whilst it is your children who are receiving their education here, we fully recognise the importance of keeping our parents up to date, informed and involved, and we hope that you too gain a great deal from the Barney experience, in addition to your children.

Whilst we look forward to your support in the theatre, on the side lines, or at different events, we also understand that there are logistical conundrums in sending children to school, and we hope that the pages that follow provide answers, or act as a 'go to' book, should you have queries throughout your child's journey with us.

Of course, there is no better method than to build relationships face to face, and by the time your child has started with us, you should already have had the opportunity to meet with their Housemaster/Housemistress. These men and women will play vital roles in your child's time at Barney and they are always on hand to help and advise.

As for me, I look forward to meeting you and getting to know you over the coming months and years, and please don't ever hesitate to get in touch.

With best wishes

Tony Jackson

WHEN YOU ARE STEEPED IN LITTLE THINGS,  
YOU SHALL SAFELY ATTEMPT GREAT THINGS

## HOW TO GET IN TOUCH

The best person to contact with any queries or concerns is almost always the Housemaster or Housemistress. They are in contact with your daughter or son on a daily basis and have the best first-hand knowledge. As a general rule, always try them first.

The School's General Office number is 01833 690222 and can be used for general contacts and to leave urgent messages for pupils via the message screen which is found at the top of the Dining Hall corridor just off Central Hall. Pupils should keep a regular eye on this screen in case there is a message for them in General Office.

For most purposes it is quicker and easier to email or phone the direct numbers of the various departments and sections of the School without going through the General Office switchboard, and parents are urged to do this. A list of contacts can be found at the back of this handbook. If there is no-one immediately available to take your call on any of the direct lines, you can either leave a voice-mail or have your call diverted to General Office to leave a message. The area code for all numbers is 01833. Please do remember that all Housemasters/Housemistresses and senior staff also teach, so they may not be able to respond immediately.

Please be sure to keep the School fully up to date with your phone number, if you move house, change your work number or change any other contact details. Equally important is your email address by which you will receive important information and regular updates.

## OTHER COMMUNICATIONS

The electronic parent portal, the School website and the termly School Calendar (of which we supply a copy for each pupil), are useful channels of communication about forthcoming events and recent achievements.

Our **Social Media** accounts are a great way to keep up to date with what is happening at Barney, we post regularly to Twitter, Instagram and Facebook on sporting events, theatrical performances and academic success just to name a few, in addition to the News and Video pages on the website.

## Assessments and Reports

**Assessments** are brief summaries of progress. They take place two to three times a term and can be accessed through our Parent Portal.

**Reports** are detailed academic comments by all teachers, pastoral staff and the Headmaster. There will be two full reports annually for most years and these can be accessed from the Parent Portal

## DATA PROTECTION

The School routinely deals with a considerable amount of personal data, for example when receiving and processing applications for places, compiling and maintaining pupil records (which inevitably include details relating to parents and guardians), and maintaining records of pupils after they have left. The School's policy is to comply with data protection law and take all reasonable precautions to ensure that any information processed on parents and pupils by the School is kept confidential and is not disclosed to third parties save on request or with consent. Personal data is held in accordance with our Privacy Policy available on the school website.

The School may sometimes wish to publish (or to allow publication of) images of pupils - in School magazines, newsletters, prospectuses or advertisements, website etc. It will do so responsibly and with due regard to pupils' safety. Should any parents not wish a daughter's or son's photograph to appear in School literature, they are asked to let the Headmaster know in writing.

## INSURANCE

The School fee per term is inclusive of Pupils' Personal Accident Scheme Insurance. Details of this can be found on the Parent Portal. Personal effects, in particular musical instruments and personal computers, should be insured if they are not already covered under existing policies you hold.

## SCHOOL CALENDAR

Published each term the calendar gives details of the major events of the School year which include the School Play, Open Day, Concerts and the Carol Services in the Michaelmas Term; the Barnard Run, the Confirmation Service and the School Musical in the Lent Term; and Speech Day, Sports Day and the Summer Ball in the Trinity Term.

## CHAPEL

### **Chapel Services**

Pupils attend Chapel most weekdays, and it is a very important part of life at Barney. Throughout the year there are a number of special services at which you are very much invited, with the Remembrance Service, Carol Services and Candlemas particular highlights. Please check the School calendar for more information.

### **Choral Society**

The Choral Society is open to all parents and friends. It meets in an informal and friendly atmosphere in School on Thursdays from 7.30 - 8.30 pm during term-time to rehearse for two concerts each year, the second of which traditionally takes place in the Bowes Museum with an orchestra and professional soloists. Singers of all standards are welcome - no audition is needed - and both beginners and experienced performers will find enjoyment. Simply turn up in Big School and you can be sure of a warm welcome.

## GAMES | FIXTURES

### **Guidelines for Supporters**

Parents are always welcome to come and support at sporting fixtures, and are greatly encouraged to do so. The School has a responsibility for the conduct of every aspect of its sport, including the supporters (pupils, parents and other adults alike). Please support in a positive manner, applauding good play and promoting good sportsmanship. Please be aware of the need for both players and spectators to refrain from open criticism of, or dissent from, umpiring or refereeing decisions.

### **Commitment**

One of the key values we have at Barney is commitment. It is important our pupils know that if they drop out of a fixture at the last minute they leave teammates and coaches potentially short and unable to fulfill a fixture. Your support in ensuring this doesn't happen is greatly appreciated. If a pupil does need to miss a fixture, please inform a coach and tutor at the earliest possible opportunity.

### **Dropping off pupils after away matches**

The School is always keen to help domestic arrangements and save parents unnecessary journeys to School by dropping off pupils on the way back from sports fixtures where we can, but we need to ensure that we are acting responsibly when we do so. If you wish your daughter or son to be dropped off at a specific location on the route back to School, please contact the member of staff in advance to make the arrangement. If in the event you are unable to be at the pre-arranged drop-off point on time, please understand that we cannot keep other children waiting or simply leave children on the road-side, and that your daughter or son will therefore, under normal circumstances, be taken back to School for collection.

## ATTENDANCE | ABSENCES

### **Attendance and requests for absence**

As a condition of admission, parents are asked to observe the published term dates and the exeat structure. By Government legislation it is only the School (and not parents) that can authorise absence from School during term time, and this permission can only be given well in advance and in the most exceptional of circumstances. Requests should be addressed to the Second Master ([mtp@barneyschool.org.uk](mailto:mtp@barneyschool.org.uk)).

When pupils are unavoidably absent through illness, please ensure that a parental phone call is made without fail to the Housemaster/mistress before registration time (8.45am) on every day of absence so that we are kept informed. Without a phone call from parents, we have no way of knowing whether a pupil is simply ill, or 'missing' (which could cover anything from truancy to an accident on the way to School).

At the end of the period of absence, please send a parental note to the Housemaster/mistress for statutory registration records.

The School's Leave of Absence Policy is available for consultation on the website.

### **Parents away from home**

If parents are going to be away from home during term time (on holiday or on a business trip) please make sure that the School is notified of the arrangements well in advance. This applies equally to boarding and day pupils. It is important that we should know whom to contact if an emergency occurs in your absence.

## TRIPS | WEEKENDS

### **School trips and expeditions**

Trips and expeditions are arranged both at home and abroad throughout the year. Amongst the most exciting ones recently have been those to South Africa (Hockey and Rugby), Italy, Greece (Classics), Madrid (Spanish), France (skiing and History) and Iceland (Geography). The Choir and Wind Band have performed in Barcelona and Paris, and there have been summer adventure holidays on the Great Glen Way, the Mediterranean and in Sweden. We issue an annual Consent Form for participation in local School trips. If this form is not returned, pupils would be unable to attend any trips.

### **Exeat weekends**

One weekend in each half of term is usually nominated an exeat weekend. There are no lessons or matches on these Saturdays, and day-pupils are not required to attend School. Boarders can return home for exeats. For those boarders who are unable to go home, special activities are organised.

## AFTER HOURS

### **Day pupils in School after School hours**

The School day ends for day pupils at 5.10pm and those who remain in School should only do so as participants in a properly supervised activity or an event, such as a play or concert. Under such circumstances, a meal will be provided free of charge.

However, if parents occasionally or routinely require day children to remain in School, a meal and teacher-supervised Prep facilities will be available until 8.30 pm for a small charge. Similarly, breakfast can be provided for day pupils from 7.30 am by prior arrangement. Parents can make suitable arrangements by contacting General Office on 01833 690222.

**Flexi boarding is available** as is **Occasional boarding** (overnight accommodation) at £50.00 per night (Monday-Friday) and at £90.00 per night (Saturday/Sunday).

For more information, please contact [admissions@barneyschool.org.uk](mailto:admissions@barneyschool.org.uk)

BOARDING

## EQUIPMENT

Pupils will need to bring their own pens and pencils, and they may wish to arrive equipped with a scientific calculator and geometry (mathematical instruments) set.

Otherwise these can be obtained cheaply from the Bookroom.

If pupils are coming from overseas and English is not their first language, they will need a dictionary explaining words from their own language into English. Dictionaries should be in book format and not electronic because these are permitted in class but not in examinations.

Otherwise, all necessary text books, exercise books, files, writing paper and notebooks, including homework (or ‘prep’) diaries, will be supplied by the appropriate teacher during the first few days, and replacements can be obtained from the Bookroom.

## CLOTHING

It is also recommended that boarders have at least 3 pairs of trousers or skirts and 6 white shirts. Other items required are listed in the **Boarding House Handbooks**.

Boarders can obtain a ‘chit’ from their Housemaster or Housemistress to buy uniform items which can be charged to the end-of-term bill. Boarders wear casual clothing in the evenings and at weekends.

All clothing items must be clearly marked with the pupil’s name and initials (plus school number for boarders). This allows for identification, especially after laundry.

# BARNEY FRIENDS

Barney Friends Senior School is run by parents and exists to provide support and friendship to anyone who is part of the Barney Community.

Members of Barney Friends have a wealth of knowledge and experience of the school. They understand what it's like to be new in Year 7, and have lived through the GCSE and A level experience. Chatting with someone who already knows can be very reassuring. The main purpose of Barney Friends is to provide a network of support and opportunities to meet socially.

If you are interested, you can be involved as little, or as much as you wish. They meet monthly, usually followed by coffee, and always need helpers for their refreshments stalls. At the start of the September term they meet in Clarendon's for coffee after drop off on the first morning.

## **Does my child need their PE / games kit on their first day?**

Your child will not need their PE / games kit on their first day. The day is set out to get them ready for the term. They will receive their timetable, which will indicate when they will need to bring it.

## **What do we do if my child has an appointment / is ill?**

You would need to contact their HSM/Tutor and inform them as soon as possible.

## **Can my child leave school before 5pm?**

No, unless in special circumstances previously agreed with the Second Master, all pupils should be taking part in or helping out in the activities which run 4.00-5.00pm every day.

## **Can they use their mobile phones throughout the day?**

Mobile phone usage is restricted to certain areas of school and limited times. Mobiles must not be used in public places i.e. corridors or on the sports fields.

## **How does the setting work?**

Maths and English are setted in all year groups up to and including Y11, Science and Languages are usually setted from Year 8. Humanities are not setted initially in Year 7 but a Latin set is identified some time in Year 7 and this set then stays together for their Humanities lessons. GCSE options subjects, including Humanities, are not setted in Years 10 and 11 and there is no setting in Sixth Form.

### **How many preps are set?**

Year 7 & 8: 2 preps per night, 25 minutes each

Year 9: Mostly 2 but occasionally 3 preps per night, 30 minutes each

Year 10 & 11: 3 preps per night, 35 minutes each

Sixth Form: Preps set as required

### **Do they come back to common rooms between lessons?**

No, common rooms are to be used before registration, break and lunchtimes.

### **Will there be someone to show them where to go?**

On their first day in school they will be guided to where they need to be. There will always be someone available to point them in the right direction.

### **What do I do if I have a complaint?**

Please refer to our Complaints Policy which can be requested via General Office.

### **How do I (the parent/guardian) and my child know if they are selected for a team?**

The **School Sports Website**, has been updated and now includes all fixtures in the school. These can be seen via the address: [www.barnardcastleschoolsports.org.uk](http://www.barnardcastleschoolsports.org.uk). You can navigate to our Sports Calendar via the main menu, select the day you are interested in and then click the Details link. This shows the venue and if we're playing away, there will be a link to the location map of our opponent's school. You can also see the team selected for the fixture wherever you see a blue image. Normally we announce team selections at least the day before and in most cases 48 hours before.

### **Is there a rota for lunch?**

Yes, the rota is posted along the Dining Room corridor.

### **How can I find out what is happening at school?**

Pupils are given a school calendar to take home at the start of every term. An online version of the calendar is available on the school website. The News and Videos sections of the school website are also updated regularly. You can also follow the school Twitter feed @Barney\_School

### **What are House activities?**

Typically, activities will revolve around preparation for participation in House competitions. When competitions are taking place, pupils who are not participating should support those who are. Tutors are asked to help in encouraging their tutees on such occasions and also willingly supervise swimming, running, football and other activities. House monitors and other senior pupils are also asked to help in the running of activities and the preparation of teams for Inter-House competitions.

### **If my child is having problems, who can they talk to?**

Our pastoral care is second to none and we have a very robust system in place if a child needs to speak to someone. Our “12 to Turn To” which is posted in common areas and in the Pupil Handbook directs them to the many avenues they can turn to should they want to talk.

### **What are the mind/body/soul activities?**

In Years 7 and 8, pupils gain experience of a wide variety of activities (over 30 in total). These run on Monday, Tuesday and Thursday evenings between 4 and 5 pm. The programme is designed to expose children to as many different experiences as possible, and is broadly categorised into physical (‘Body’), mental (‘Mind’) and spiritual/ creative (‘Soul’). In their groups of 10-12, they are on a carousel system, changing activities every five weeks.

### **Where should my child go on their first day?**

On their first day they will go straight to their House areas.

### **How does my child receive a merit?**

These are awarded by teachers for excellent work, usually by issuing a yellow merit slip that is returned with work. Pupils hand their merit slips in to their tutor, who collates them and records them for the House merit competition.

### **My child is unable to take part in PE/Games. What should I do?**

In the first instance his/her Tutor and the Head of PE should be informed via telephone or email. Sending a letter into school with the pupil is also an option. Your child should bring their kit to school; pupils who are injured must get changed and come out to their games lesson, where their respective teacher can supervise them. If they are physically unable to get changed (e.g. have a pot on their leg), they must still go out to lessons but will not be required to change. If the weather is inclement then appropriate clothing should be brought.

### **What is the difference between assessments and reports?**

Assessments record effort and attainment grades with a comment from the tutor and usually happen at Half Term. Reports happen at the end of term and in addition to grades and tutor comments there are written comments from teachers and HSMS.

**We hope you have found this book useful, but if you have any questions or concerns, please do not hesitate to get in touch.**
