Bus Passes

Please make us aware of your transport requirements as soon as possible and **at the latest by Monday 5th July 2021** to allow us to review and confirm current arrangements.

Spaces on our bus service are limited and priority will be given to those requiring a full 5 or 6 day return service. This is to ensure that the service is running at maximum capacity.

Full Pass

Permits travel on 6 mornings and 6 evenings per week for Senior School pupils and 5 mornings and 5 evenings per week for Prep School pupils.

Half Pass

Is the minimum requirement to travel on school transport and is charged at 60% of a full pass. Two options are available:

1. Morning/Evening Pass

Permits travel on either 6 mornings, or 6 evenings (5 for Prep) per week on one route. This pass is not inter-changeable between AM and PM.

2. Three Day Pass

Permits return travel on three specified days per week on one route. It is not possible to select single journeys over more than three days.

Study Leave Pass

Provides discount on a Full Pass during the Summer Term. For the Trinity Term 2022 a **10% discount** has been applied. This is due to the length of the exam period lasting until the penultimate week of the term. All pupils in exam years are able to come into school as usual, each day to work productively, and access teaching staff.

Please note that due to current high demand for places on school transport, bus chits cannot be guaranteed once notice has been received for no longer using school transport.

Single Journey Bus Chit

Permits a single, one-way journey on any day. These are subject to limited availability on the bus route and cannot be guaranteed. Pupils should check with General Office for seat availability and will be provided with a bus chit for the journey which will be charged to the school bill. A bus chit is charged at £5.50 per journey.

Booking Form

To reserve a place on any of the bus routes please complete the booking form [here](#)

Cancellation and amendments

We require **one half term's notice** in writing to transport@barneyschool.org.uk for cancellation or changes to transport arrangements. Failure to do so will result in charges remaining payable. This is due to the contractual commitments made by the School to Bus Operators.

Barnard Castle School Transport Commitment

Barnard Castle School will make every effort to ensure, wherever possible, the safe transportation of all children to and from school at the agreed times and locations.

All bus operators have worked with the School for many years. Risk assessments are completed for all routes and all drivers are subject to safer recruitment procedures and DBS checks.

In the event of an emergency or delay, the bus operators have emergency procedures including contact numbers for duty staff who will attend any emergency without delay. Parents will always be contacted by text message or if required by phone call, of any delays.

Unforeseen variations within the academic year

Should there be a Public Health requirement to continue to operate in a COVID secure manner on school transport in 2021/22, parents will be provided with latest guidance prior to the start of the academic year.

Any impact on daily operating costs including but not limited to fuel cost inflation will be subject to change and will be implemented by half term. Cost increases for second half of terms will be applied in arrears.

Parent/Guardian/Fee payer Transport Commitment

That you agree to pay the arranged transport costs for each day of term as agreed, regardless of whether the transport is used. Unfortunately, it is not possible to take account of absences or attendance at extra-curricular activities where pupils are in school after the normal finishing time and need to travel later. Transport costs are calculated on a full term basis and are fixed once term has begun.

Parents are expected to read and understand the conditions of travel and discuss the conditions with your child/ren prior to travelling. Parents are asked to support Barnard Castle School in ensuring the conditions are followed by their child/ren.

Pupil Transport Commitment

Pupils are expected to understand and follow the conditions of travel. Pupils should speak to their Tutor or Class Teacher in the first instance should they have any questions or concerns about travelling on school transport.

TIMETABLES

Timetables are fixed for the entire academic year. On rare occasions, there may be a possibility of timing changes during the year to reflect traffic flow or weather conditions.
