WELCOME TO YEAR 5
A GUIDE FOR CHILDREN AND PARENTS
2023-2024

Introduction

Welcome to Year 5 at Barnard Castle Prep School. A new year offers new opportunities and I hope you are looking forward to having a busy and enjoyable time.

There will be plenty to do both in and out of the classroom as well as new trips to go on and new friends to make.

In this booklet there is some information to help guide you along the way. However, don't hesitate to ask any of the teachers for any help that you may need.

Have a great time.

Laura Turner
Headmistress

Class Teacher

The Year 5 Class Teachers will be there to help you with everything you do in Year 5. You will have lots of different teachers for your lessons each week and you will be given your timetable at the start of the term. If there is anything you are not sure about or if you have any questions or problems, please talk to your class teacher who will be able to help you. You will see your class teacher each morning, after lunch break and also for class time at the end of each day. Any children who are new to the School will be assigned a 'buddy' to help them to find their way around and get to know people.

Year 5 represents a real step up, both in terms of the opportunities it presents and the level of independence expected. During your time in Year 5 you will have the chance to experience outdoor pursuits on our brilliant Robinwood trip, as well as an overseas residential to practise your language skills. House Competitions take on a more prominent role and you will have the opportunity to represent the School at a range of sports. You will be responsible for organising yourself throughout the day, in terms of prep and activities, but there is always a friendly face close at hand should you have any questions. Year 5 is the start of a two year journey to Senior School and the start of a truly special Prep School experience.

Homework

In Year 5 you will get homework each evening, including some creative options. This helps you to remember work covered in class and also extends your learning. You should be able to complete the homework set independently in 30 minutes but you may decide to spend longer on a project from your Takeaway menu. We also expect everyone to read at home regularly – ideally for at least 10 minutes every day.

If you find a task difficult, please do as much as you can and leave the rest. Talk to your teachers about it the next day and ask your parent or house parent to put a note in your Prep Diary. Do not worry if this happens; sometimes tasks that seem easy in class may appear more difficult when you get home!

Prep Diaries

These are really important for organising your busy Year 5 life. Each day you should write any homework tasks, special events or music lessons in your diary. Teachers may also write notes in there for you and your parents, and your parents can write their own questions or comments in too. Don't forget to show your class teacher if your parents have written a note in your diary.

Prep Diaries should be signed every weekend by your parents and then handed in to your class teacher every Monday morning. A well-kept Prep Diary is a really easy way to earn merits for your House!

Merits

You will already know which House you belong to.

Drake
Gilbert
Grenville
Raleigh

You earn merits for your House through hard work and by following The Barney Way. The merits are added up at the end of each term and the Merit Shield is awarded to the House with the most merits.

A demerit may be given for thoughtless behaviour, which means that one point is taken away from your House's points. You can earn Bronze, Silver and Gold Merit Certificates by gaining merits each term.

Something on your mind?

If you are worried or upset, you can talk to:-

If you are concerned, speak to your class teacher, the Deputy Head or the Headmistress or any member of the Junior Boarding staff for boarders.

Co-Curricular Progeamme

These are the activities that take place in the School day at break time, lunch time and after School. These are delivered by School staff, as well as external teachers and coaches. A booklet which contains all the information about activities will be emailed to your parents before the start of each term. You should chat to your parents about which clubs you would like to sign up for, and your parents will then complete the online form for you before the start of term.

Once you have started an activity, you are expected to attend every week until the end of term and to give your apologies to the member of staff running the club if you cannot attend.

Forest School

Every week we have time in our Forest School. We go out in all weathers and this is an exciting opportunity to learn about nature, light fires, practise tool skills, den building and explore the outdoors. You will need to remember your waterproofs, wellies and warm clothes every week.

Visits, Trips and Residentials

In Year 5, we go on curriculum-based workshops, trips and welcome visitors to complement and support the work undertaken in class. You also have the opportunity to spend three days climbing, canoeing, caving and generally getting muddy at Robinwood! This trip is traditionally in the Trinity Term, along with a cultural French residential in the Lent Term.

Sports Fixtures

In Year 5 you will continue to play in competitions with other schools, representing the Prep School at fixtures and improving your skills in tournaments and workshops. If you are selected to play in a team, your name will appear on a team sheet, displayed on the sports noticeboard outside the Atkinson Hall, with all the details of the match and the kit you will need. These details can also be found on the SchoolSports website. You will need to write all the details in your Prep Diary for your parents and remember to be organised on the day.

Uniform

Your appearance is very important and you should always be dressed smartly in the correct uniform. Hair must be hair tied back if it is shoulder length or longer. Short hair should be brushed and neat. Your school shoes should be black or navy and you are responsible for ensuring they are polished every day.

It is anticipated that you will have two PE lessons a week and should come to School in your PE kit on these days, and your School Uniform on the other three days. You will also go swimming every week using the Senior School pool.

On occasion, items of uniform can get mixed up or misplaced, therefore please ***ensure that all items are clearly labelled.***

WELLBEING

Prep School is a happy place and we help to keep it that way by taking care of our wellbeing regularly. During class time in the morning, after lunch and at the end of lessons, you will spend time with your class teacher following a structured *Wellbeing Programme*, which includes yoga stretches, breathing, listening to a story or simply colouring and reading silently. Because we like to be very busy at Prep School, it is important that we all take the time to breathe, reset and ask ourselves how we are feeling.

A BARNEY EDUCATION

At Prep School we help children develop skills that we feel they will need most as they continue their journey through Barney and beyond. We use the terms **Feel**, **Be**, **Share** and **Go**, and develop the following values as children progress through the School through the Prep School Superheroes.

			
FEEL	BE	SHARE	GO
<i>How you feel within</i>	<i>Who you are & how you behave</i>	<i>How you interact with people</i>	<i>How you learn and make progress</i>
Gratitude Courage Resilience	Humility Integrity Humour	Compassion Service Leadership	Curiosity Endeavour Creativity
