Criteria and Eligibility

Scholarships are awarded to students who are creative and imaginative, demonstrate outstanding artistic ability in a range of media, with excellent manipulative skills, strong powers of observation and evidence of some specialist artistic language and concepts appropriate to the appreciation of art.

Barnard Castle School aims to provide opportunities for those who satisfy the following criteria:

13+ 16+

Flounders Scholarship & Balliol Scholarship

- Candidates are asked to prepare a portfolio which best demonstrates the traits and skills expected of an Art Scholar, including clear evidence of accurate observation of proportion, tone and texture; experience of a variety of 2 and/or 3-dimensional media; a sketchbook or journal containing photographs/sketches/notes about things they have seen or places they have visited and been inspired by, including galleries and exhibitions.
- Candidates are invited to the department, with their portfolio, to meet the Head of Art. Candidates are asked to talk through their portfolio themselves, giving them the opportunity to articulate their ideas and processes, as well as their interest and involvement. There will be a workshop in the morning and the opportunity to develop a personal response in the afternoon.
