

BARNARD CASTLE PREPARATORY SCHOOL

WELCOME TO YEAR 1
A GUIDE FOR CHILDREN AND PARENTS

Introduction

Welcome to Year 1 at Barnard Castle Prep School. A new year offers new opportunities and I hope you are looking forward to having a busy and enjoyable time.

There will be plenty to do both in and out of the classroom as well as new trips to go on and new friends to make.

In this booklet there is some information to help guide you along the way. However, don't hesitate to ask any of the teachers for any help that you may need.

Have a great time.

Laura Turner
Headmistress

Class Teachers

If there is anything you are not sure about or you have any questions or problems, please talk to your Class Teacher who will be able to help you. You will see them at registration each morning and for all your lessons.

In Year 1 you will be expected to:

- Follow The Barney Way.
- Carry out your morning jobs independently by putting your homework diary, reading record and homework activities in the correct place.
- Take responsibility for the decisions you make.
- Share when working with others in your class.
- Know how you will be going home at the end of the day.
- Pack your bag independently at the end of the day.

Homework

Homework is important in helping you remember the work you have completed in class and also to extend your knowledge further.

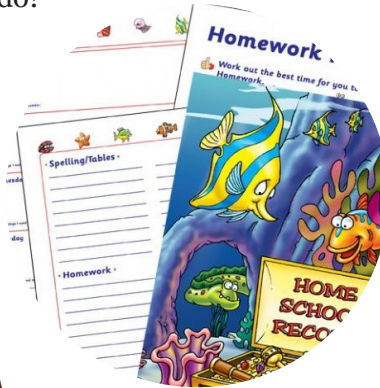

You will receive either a piece of Mathematics or English homework weekly. You will be given this on Fridays and you need to return it the following Wednesday. You will also have weekly spellings linked to the sound of the week.

Reading is very important and you will have a reading book to take home every night. Your family would love to hear you read as often as possible so try to read each night if you are not too tired.

Home School Diary

Your Home School Diary is also very important; it allows your class teacher to give important messages to your parents as well as giving you the chance to write your own reminders in your diary. You will be asked to make sure someone at home signs your diary at the end of each week; you will earn a merit if they do!

Trips & Visitors

You will be given the opportunity to go on trips during the year or have a visit from a workshop. These will relate to the work you are doing in class.

I wonder where your learning will take you this year?

At the end of the year, the whole of the Pre-Prep will go out for the day and enjoy some activities related to work you have completed throughout the year.

Merits

You earn merits when you follow 'The Barney Way'. Merits are added up at the end of each term and a book token is awarded if you have accumulated the most merits.

The Pre-Prep Rainbow Award Scheme is designed to reward you further. (Every time you get to a coloured band on the rainbow you will be presented with a certificate in assembly.)

We always expect your best behaviour. If your class teacher sees any thoughtless behaviour, they will speak to your family about this.

After School Activities

These are the activities that take place in the school day at lunch time and after school. These are delivered by school staff, as well as some external teachers and coaches. A booklet which contains all the information about activities will be emailed to your parents before the start of each term. You should talk to your parents about which clubs you would like to sign up for, and your parents will then complete the online form for you before the start of term.

Once you have started an activity, you are expected to attend every week until the end of term and to give your apologies to the member of staff running the club if you cannot attend.

There are so many activities to choose from, we are sure you will enjoy taking part in some of these!

Uniform

Your appearance is very important and you should always be dressed smartly in the correct uniform.

Hair must be tied back if it is shoulder length or longer. Short hair should be brushed and neat.

Your school shoes should be black or navy and you are responsible for ensuring they are polished every day.

It is anticipated that you will have two PE lessons a week and should come to School in your PE kit on these days, and your School Uniform on the other three days.

You will also go swimming every week using the Senior School pool.

Something on your mind?

If you are worried or upset, you can talk to:-

- **Any of your teachers**
- **Mrs Morse, the School Nurse or the School Counsellor**
- **Your parents or your friends**
- **School's Independent Listener, call 07817 484818**
- **ChildLine, call 0800 11 11**
- **Peer Support in the Wellbeing Room**

If you are concerned, speak to your class teacher, the Deputy Head or the Headmistress or any member of the Junior Boarding staff for boarders.

Forest School

Every week we have an afternoon in our Forest School. We go out in all weathers and this is an exciting opportunity to learn about nature, light fires, practise tool skills, den building and explore the outdoors.

WELLBEING

A photograph of five children in school uniforms walking along a path. From left to right: a boy in a blue sweater and dark skirt, and four girls in blue and white checkered dresses with blue cardigans. They are all smiling and looking towards the camera. The background is a blurred outdoor setting with trees and a fence.

Prep School is a happy place and we help to keep it that way by taking care of our wellbeing regularly. During class time in the morning, after lunch and at the end of lessons, you will spend time with your class teacher following a structured *Wellbeing Programme*, which includes yoga stretches, breathing, listening to a story or simply colouring and reading silently. Because we like to be very busy at Prep School, it is important that we all take the time to breathe, reset and ask ourselves how we are feeling.

A BARNEY EDUCATION

At Prep School we help children develop skills that we feel they will need most as they continue their journey through Barney and beyond. We use the terms **Feel**, **Be**, **Share** and **Go**, and develop the following values as children progress through the School through the Prep School Superheroes.

			
FEEL	BE	SHARE	GO
<i>How you feel within</i>	<i>Who you are & how you behave</i>	<i>How you interact with people</i>	<i>How you learn and make progress</i>
Gratitude Courage Resilience	Humility Integrity Humour	Compassion Service Leadership	Curiosity Endeavour Creativity
