Welcome from the Headmaster

Dear Candidate,

Barnard Castle School is seeking an outstanding Visiting Singing Teacher (Classical / Musical Theatre) for our thriving day and boarding school, which has remained at the forefront of girls' and boys' education for over 130 years. Whilst the school retains a strong academic record, its focus continues to be on developing life skills and nurturing each character. This is something that we as a school take great care and pride in, and our Music Department plays a significant role in this.

Barney is an exciting and hugely rewarding place to be, and I look forward to receiving your application.

Yours faithfully,

David Cresswell
HEADMASTER

The History of Barnard Castle School

Barnard Castle School has a rich and enduring history, deeply rooted in a tradition of learning and community. The school traces its origins back to the nearby Hospital of St John, an educational and religious community established by John de Balliol in 1229. John de Balliol also founded Balliol College, Oxford, and his passion for education and opportunity remains central to our philosophy today.

In 1883, with a generous gift from Benjamin Flounders, a Victorian philanthropist, and the proceeds of St John's Hospital, the present main school building was constructed. Since then, the school has grown and evolved, blending its historical foundations with a forward-thinking approach to education.

In 2024, David Cresswell was appointed as Barney's 11th Headmaster, continuing the school's tradition of combining timeless values with future-focused ambition. Today, Barnard Castle School remains a place where the lessons of the past inspire the innovations of tomorrow, as we prepare our pupils to shape a changing world with courage, kindness, and integrity.

Barnard Castle School: Shaping Tomorrow, One Step at a Time

"Parvis imbutus tentabis grandia tutus"

When you are steeped in little things, you shall safely attempt great things.

At Barnard Castle School – or 'Barney' as it is affectionately known – we believe that small steps lead to big strides. Our vision is to inspire a generation of young people with the courage and kindness to dare greatly and shape a changing world. We want them to shape the future while proudly standing on the shoulders of those who came before them.

Ambition – Daring to achieve, with the courage to innovate and the curiosity to explore.

Character – Forged in challenge, strengthened by kindness, and rooted in integrity.

Community – Honouring the past, strengthening our school and town, and building global connections that last a lifetime.

These principles guide everything we do – from our academic programmes to our vibrant co-curricular offering. Our down-to-earth and inclusive community provides a safe environment for pupils to embrace challenges, pursue passions, and develop a sense of purpose that will stay with them long after they leave Barney.

We are a school that blends tradition with forward-thinking ambition. Our origins trace back to the Hospital of St John, founded in 1229 by John de Balliol, who also established Balliol College, Oxford. That same love of learning and commitment to opportunity remains central to our philosophy today. As we look ahead to the 2030s, we continue to invest in modern facilities and innovative teaching approaches to meet the evolving needs of our pupils and the wider world.

Barney is a place where connections are made and memories are formed. It is not unusual to see Year 11 pupils sharing lunch and conversation with younger peers or Sixth Formers mentoring new starters. Our pupils develop confidence, resilience, and humility as they grow – always encouraged to support and celebrate each other's successes.

Staff at Barney play a crucial role in this journey. We seek teachers who share our purpose and are proactive in immersing themselves in the life of the school. Through our extensive 'Mind, Body, and Soul' programme, which runs from 4pm to 5pm, staff have the opportunity to lead activities they are passionate about, fostering authentic relationships beyond the classroom.

We are also committed to helping teachers be the best versions of themselves. Our comprehensive Continuing Professional Development (CPD) programme offers opportunities to hone their craft, supported by regular teaching meets, peer collaboration, and other innovative initiatives. We want teachers who are ambitious about their own development and passionate about lifelong learning, recognising that their growth directly benefits our pupils.

Our location, on the edge of the historic market town of Barnard Castle – recently recognised as one of the safest in England – offers a unique combination of heritage, community spirit, and access to outstanding natural beauty. We also benefit from partnerships with world-class universities in Durham, Newcastle, and York, enhancing our pupils' educational experience and broadening their horizons.

At Barney, we believe that ambition, character, and community are not abstract ideals but lived experiences. Together, we take small steps every day – steps that build towards remarkable achievements and a future as bright as the generations of Barnardians who came before.

Our Vision

- To be viewed as the leading independent co-educational day and boarding school in the North of England.

Our Purpose

- Our purpose as a school is to inspire minds and build character, within a down-to-earth, inclusive community where everyone belongs, and hard work and good humour thrive.

Our aim

- Our aim is to create a safe environment where pupils love their school, embrace small steps toward great achievements, and are willing to dare greatly to shape a changing world.

Our Key Features

A Seamless Educational Journey

We are proud to offer a supportive environment where students can complete their entire educational journey. At every stage, we nurture their growth, ensuring smooth transitions and a deep understanding of each student's unique needs, all within a close-knit, inclusive community that helps them flourish and prepares them for life beyond Barney.

Fully co-educational Boarding and Day School

We fully embrace co-education, ensuring equal opportunities for all students, regardless of gender. Our strong boarding community enriches the school, enhancing cultural literacy through our international students. The extended school day and week provide ample time to deliver a broad and varied educational experience.

Resilient Characters & Brave Minds

We have always offered an education that goes beyond exams, which is more crucial now than ever in a rapidly changing world shaped by globalism, AI, and evolving careers. Our students need strong character, adaptable soft skills, and a values-driven foundation to thrive in this uncertain future. With resilience and a supportive community, they are empowered to dare greatly and achieve beyond what they thought was possible.

A Broad Entry

Life is about engaging with people of diverse abilities and talents, celebrating personal growth rather than just top grades. As long as we can support individuals in accessing our education and they demonstrate the core character traits we value, we are committed to supporting them on their journey.

Traditional yet Innovative

Barney's rich history and cherished traditions have shaped generations of strong, humble individuals. While we honour these beloved 'Barneyisms,' we remain focused on staying relevant and forward-thinking as we move further into the 21st century.
